

I-196 BL/M-121 Intersection Reconstruction and Realignment

Ottawa County
July - November 2018

What Is Being Done?

The Michigan Department of Transportation (MDOT) will invest \$6 million to reconstruct and realign the I-196 Business Loop (BL)/M-121 (Chicago Drive) intersection in Zeeland. This project also includes drainage upgrades, new traffic signals and extending 84th Avenue south to create a new intersection at I-196 BL. The westbound I-196 exit ramp to I-196 BL will also be reconstructed and widened.

This project will improve traffic mobility, increase safety and extend the service life of the roadway.

How Will Traffic Be Affected?

I-196 BL will have at least one lane open in each direction at all times.

Traffic along M-121 and Main Street will be maintained using lane closures and detours.

The westbound I-196 exit ramp to I-196 BL will be closed and detoured to Adams Street for approximately three weeks.

For more information, call the MDOT Muskegon Transportation Service Center at: 231-777-3451. For updates, go to www.michigan.gov/drive or www.twitter.com//MDOT_West.

Public Meeting

A public meeting for this project will be held on Tuesday, June 12, from 4 to 5:30 p.m. at the Zeeland Community Center, 14 S. Church St.
