

Dear Parents/Friends of Innocademy Allegan Campus, Innocademy and iCademy Global,

We have an excellent way to help our students raise money for upcoming field experiences and to increase physical fitness! We are announcing our Third Annual 5k and 1-mile fun run schedule for May 19th.

There are two ways to earn money through this fund raiser: 1) Students run and recruit individual sponsors, or 2) Students can obtain corporate sponsorships.

First, students, friends, and family members can earn money for a student's field experience account by registering for the run/walk at a cost of \$10, which includes a free t-shirt, and then recruiting individual sponsors. One hundred percent (100%) of the individual sponsorship money goes into the student's account!

The second way to earn money for a student's field experience account is by recruiting corporate sponsors. See the attached sheet to give to area businesses or organizations that may be interested in sponsoring our race. (One third of the money donated will go into the field experience account of the recruiting student- this could be huge!)

Register for the event at: <https://www.webscorer.com/register?raceid=130239>

If you have questions or concerns please contact Marty at marty.lappe@innocademy.com.
