

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Innocademy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kelli Gunn for assistance.

The AER is available for you to review electronically by visiting the following web site www.innocademy.com, or you may review a copy by checking in with Heidi Wolters at the front desk of Homestead Campus.

These reports contain the following information:

Student Assignment Process - Innocademy has an open enrollment policy and does not discriminate on the basis of intellectual or physical abilities, achievement or aptitude, religion, race, or gender. In the event student enrollment applications exceed available positions, a random selection lottery drawing is conducted under the direction of a representative of the authorizer Lake Superior State University.

3 – 5 Year School Improvement Plan

Innocademy is in the fifth year of the School Improvement Plan. Staff is working with students in goal areas of reading, writing and math. Innocademy's School Improvement team is focused on implementing innovative best practices in all content areas. Within the school improvement process, staff is able to analyze data and adjust instruction with a goal of improved student learning as well as provide opportunities for flexible grouping (known as Just Right Learning Groups).

Core Curriculum

Innocademy will follow the timeline for the implementation of the Common Core Curriculum. These standards can be located at www.corestandards.org. In order to implement these standards, we use approved resources like Math Expressions, Lucy Calkins Writing Program, Battle Creek Science Kits, Michigan Citizenship Collaborative Curriculum, History Alive, and Words Their Way.

Innocademy offers Just Right Learning groups in an effort to meet the students' individual needs. This is a three-prong approach, which includes using academic data, social readiness, and parent conferences.

To strengthen our academic program, Innocademy implements additional experiences such as:

- Multi-Age Collaboration
- Stewardship
- International Capstone Trips
- Field Experiences
- Multi-Tiered System of Supports
- Spanish Immersion
- Seven Effective Habits
- Various Elective Offerings

Innocademy offers a high quality, college and career-ready education within an environment that focuses on development of the whole child and integrates global awareness and acquisition of 21st Century Skills. Our students will graduate from high school and participate in post- secondary education having demonstrated the skills needed to become an active and productive citizen in a global community.

Aggregate Student Data

- Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).
- Presents achievement data for tested subjects (English language arts, mathematics, and social studies) compared to targets for all students as well as subgroups of students

Accountability Scorecard – Detail Data and Status

- The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Parental Involvement

- Attendance for Student-Led Conferences in Fall 2018 was 97%. Innocademy parents are invested in their children's education and show support in many ways including conferences. Attendance at bi-annual Parent Meetings ranges from 40-90 parents.

Innocademy is a great place to learn, work, and grow together. By embracing innovation, we inspire our students to be global leaders and thinkers who positive impact others at home and abroad.

Sincerely,

Kelli Gunn and the whole Innocademy Team
