Innocademy

District Annual Education Report (AER) Cover Letter

January 31, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for Innocademy. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Kelli Gunn for help if you need assistance.

The Innocademy AER is available for you to review electronically by visiting the following [website](#) or you may review a copy in the main office at your child's school.

These reports contain the following information:

Student Assessment Data – Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, and MI-Access (Alternate Assessment). This report section presents assessment information for English language arts and mathematics for grades 3 to 8, and MI-Access science for grades 4 and 7compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data
- Provides information on school quality, climate and safety

Innocademy is a great place to learn, work, and grow. It is comprised of a community of learners and leaders. Innocademy offers a high quality, college and career-ready education within an environment that focuses on development of the whole child and integrates global awareness and acquisition of 21st Century Skills. Our students will graduate from high school and participate in post- secondary education having demonstrated the skills needed to become an active and productive citizen in a global community. In addition to our academic program, Innocademy implements additional opportunities such as:

- 2nd Language Learning
- Multi-Age Collaboration
- Stewardship
- International Capstone Trips
- Seven Effective Habits
- Nature-Rich Experiences
- Robotics

Sincerely,

Kelli Gunn
School Lead
