\$199,497

2. Describe the district's methodology and decision-making for distributing Section 31a At-Risk grant funds to target the buildings with the highest needs.

Innocademy is a single-building district. As a result, all Section 31a At-Risk funds are allocated to support students served at Innocademy.

3. What evidence-based interventions and services were implemented with the Section 31a At-Risk grant funds during the 2025-26 grant cycle?

Reading intervention services

Paraprofessional support services

Behavior intervention services

Evidence-based intervention software and instructional applications

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

Parent and legal guardian feedback regarding state- and federally funded programs is collected through surveys, school board meetings, parent meetings, and ongoing communication with school staff.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

Parents and legal guardians may provide feedback regarding the use of Section 31a funds by participating in surveys, attending school board meetings or parent meetings, or by contacting the school lead or classroom teachers directly.
